Re: Return of my security deposit, 1428 Elm St, Apt 3

Dear Westlake Property Management,

I moved out of 1428 Elm St, Apt 3 on September 30 and left the unit clean. I returned the keys and the garage remote at the move-out inspection that day, and I have attached 24 move-out photos that show the condition of every room.

Under California Civil Code section 1950.5, you must return my security deposit, or send an itemized statement of any deductions, within 21 days of move-out. That deadline is October 21. My deposit was $1,800, and I am requesting the full $1,800 back.

Please send it by bank transfer or check, and reply to confirm that you received this letter. I am also sending a copy by certified mail. If the full amount has not arrived by October 21, I will file a claim in small claims court.

Sincerely,
Jordan Lee
